---

*Effective May 31, 2010*

Fine Living Network (channel 215) has been rebranded as the Cooking Channel.

Cooking channel will feature shows about global cuisine, international travel, food history, as well as classic favorites and how-to's.

Cooking Channel replaces Fine Living Network on channel 215 and is available as part of all Digital Plus Packages. This decision was made by the network and is out of our control.
