

ATMC Cable Update

Effective April 30, 2010

Effective April 30, 2010, WECT 24/7 Weather Plus, channel 939, will be called WECT Plus and will move to channel 94. In addition, RetroTV, channel 903, will move to channel 86.

WECT Plus and RetroTV are both available at no extra charge to customers who subscribe to the Basic package and a digital box or adapter.
