

### Data Plan Requirement Effective Sept 5 2009

An eligible data plan is required for Smartphones (including iPhone, Blackberry & PDA devices) per ATMC Wireless' Wireless Data Plan Terms & Conditions which can be found at [www.atmcwireless/dataplans](http://www.atmcwireless/dataplans). If you begin using a Smartphone after 9/05/09 without an eligible data plan, ATMC reserves the right to add an eligible data plan to your account & bill you the proper monthly fee. See [www.atmcwireless/dataplans](http://www.atmcwireless/dataplans) or visit an ATMC Wireless store.
