

Charge for Calls to 411 Increases for Wireless Customers

Effective July 1, 2009, calls to 411 from your wireless phone will be \$1.99 per call, plus airtime charges if applicable. Using this service, you can get local and national numbers and addresses, find a business close to you, hear movie showtimes, get driving directions, and access other services. In addition, you have access to live operators 24x7.
